

### **Alphapointe Camp Instructor Specialist Summer Intern**

Alphapointe is a multi-faceted organization with an array of divisions, products, and services. We are the region's leader for vision rehabilitation, education, advocacy, and able to help anyone experiencing vision loss. Each summer, the Youth Programs plan and host Technology camp, Adventure Overnight camp, and Adventure Day Camp. Between the three camps, the Camp Instructor Specialist will work hands on in developing a curriculum for each of the three weeklong camps. This position is responsible for assisting in the overall instructional and operational design for each of the camp experiences and working hands on with the youth throughout each of these three camps.

### **Duties and Responsibilities**

The Camp Instructor Specialist will:

- Assist the director of the camp, plan, supervise, and implement creative summer camp program ideas that enrich the experience of the summer campers and staff
- Complete day-to-day administrative tasks for the Youth Programs department.
- Specialize in helping plan and carrying out daily activities as well as ensuring the safety and physical well-being of the campers.
- Sending and receiving correspondences with the parents of the campers and answering any questions there may be.
- Willing and able to engage with the campers as individuals in a way that allows them to grow at their own abilities.
- Able to revisit and adapt to plans and activities that meet the needs of the group that you are working with.
- Able to be a team player and work well with other individuals.
- Complete evaluations and reports on youth participating in the programs.
