

### **BoysGrow Team Leader Summer Intern**

The mission of BoysGrow is to take an inner-city boy and open his eyes to the possibilities and realities of entrepreneurship. BoysGrow runs a 10 acre vegetable production farm and uses the farm as the vehicle to instill pride, identity, discipline, and an understanding of the Business World while providing mentoring and positive male role-models for teen boys.

### **Duties and Responsibilities**

The BoysGrow Team Leader summer intern's primary responsibilities include:

- Being a solid mentor and leader for urban youth.
- Assisting with the production of the farm: planting, harvesting, composting, and farm maintenance.
- Helping out with our livestock: chickens & goats.
- Leading small teams of young men in the above-mentioned tasks
- May be asked to help with Demos in local grocery stores or restaurants.
- Assisting with deliveries to our 32 vendors around the city
- Must have a valid driver's license
