

Internship Opportunity: Seton Center Dental/Volunteer Intern

Organization: Seton Center, Inc.

Location: Kansas City, MO

Type: Internship – Paid

Duration: Summer 2026

Hours: 36-40 hours weekly

About Seton Center:

We're on a mission to provide life-changing services to low-income individuals and families in need.

Seton Center is a human services agency dedicated to helping break cycles of poverty. Through our dental, social, and educational programs, we address immediate community needs while empowering individuals with tools and resources to transform their lives. We offer dental services, food & hygiene pantries, a clothing closet, medical vouchers, and children's behavioral health services.

Position Summary:

Looking for unique and fulfilling ways to give back to the community? Consider becoming a Seton Center Summer Intern!

We are seeking enthusiastic, compassionate, and dedicated individuals to help lead and support our efforts in providing consistent, quality services to our neighbors in need. This internship offers hands-on experience in community service, program coordination, and nonprofit operations—all while making a meaningful difference.

Responsibilities:

As a Seton Center Volunteer Intern, you will:

Assist with daily operations in our dental clinic, food pantry and clothing closet. Day to day this will include sorting, organizing, and distributing items to community members.

Support special projects and events that help raise awareness and expand our impact.

Collaborate with staff and other volunteers to maintain efficient, welcoming, and compassionate service environments.

Engage directly with clients, providing assistance and support with dignity and respect.

Participate in planning and implementing community outreach initiatives.

Help maintain inventory records and assist in donation management.

Qualifications:

Passion for community service and social impact.

Excellent communication and interpersonal skills.

Reliable, organized, and able to work independently or as part of a team.

Willingness to learn and take initiative in a fast-paced environment.

Ability to lift and move light to moderate loads (for pantry/closet support).

Previous volunteer or nonprofit experience is a plus, but not required.
