

*Have you ever thought about end-of-life care for you,
a spouse or a parent? What would it look like?
Would your faith play a role?*

CATHOLIC SPIRITUAL CARE FOR THE END OF LIFE: The Importance of Decision-Making

*Presented by Catholic Community Hospice including Dr. Catherine Powers, Medical Director;
Donda McLaughlin, LMSW, LCSW, Parish Liaison;
and Brent Doster, LMSW, Bereavement Coordinator.*

It's scary to learn that you or a loved one have a life-limiting illness. What does that mean when it comes to medical care? And what do you want spiritually at the end of life? It's a difficult discussion, but planning helps ensure that your wishes are honored. It also makes it easier on loved ones who may be asked to make those hard decisions about your care.
