

Why Choose Morning Glory Estate Sales?

We love what we do and it shows...from staging your home to make it feel cozy and inspiring, to doing our due diligence to get you the best price in the secondary market for your items.

We are insured, plus all of our employees and volunteers are background checked. We also make sure to hire people who are passionate about helping others through a difficult transition.

Our staff is experienced and knowledgeable in antiques, collectibles, vintage furniture and décor. We also have many partnerships to call on, if needed, for a certain area of valuation, including jewelry and gemologist experts, fine art and high-end antique professionals.

We have a large social media following which includes Catholic Charities of Northeast Kansas and TurnStyles Thrift Store. Morning Glory Estate Sales also advertises on estatesales.net, which provides us a huge following of avid estate sale shoppers.

We are commission based with no upfront fees. This ensures that we will get the best price possible for you.

We offer consignment of higher-end items that do not sell in the home, by providing an extra opportunity to sell at an antique booth at the Glenwood Antique Mall or online shops with Catholic Charities of Northeast Kansas.

We serve our neighbors, of all faiths, through HELP, HOPE and HOSPITALITY. As a ministry of Catholic Charities of Northeast Kansas, all commissions and donations from our sales go to fund programs across the 21 counties we serve.
